XVIth Annual Conference

Held on the premises of the Food and Agriculture Organization of the United Nations

From the Bureau

We are pleased to welcome you to the 16th Annual Conference of the European Association of Fisheries Economists (EAFE), which will take place on the FAO premises in Rome, Italy from 5 to 7 April 2004.

As in the earlier conferences it is intended to provide a forum for the dissemination of recent advances in capture fisheries and aquaculture economics and management and to promote discussion amongst researchers, managers, policy makers and other stakeholders in the fisheries sector. The 16th Annual EAFE Conference aims to contribute to the EAFE objectives, which are: to promote cooperation in research in fisheries and aquaculture; to assist in the dissemination of information about fisheries economics among members; and to further understanding of the economics of fisheries and aquaculture.

Themes

The specific themes of the 16th

Annual Conference are:

- WTO Negotiations with specific reference to market access and fishery subsidy issues
 - Ecological and Environmental Interactions with the Economics of Fisheries
 - Fisheries Development and Employment
 - Impact of Fisheries Management Decisions on Fisheries
 - EU Research Issues
- Industry Issues
